|---|---|
| Policy or Paragraph Number (please state) | WAT 9 |
| Do you Support, Object or have Comments? (Please tick) | <input checked="" type="checkbox"/> Support <input type="checkbox"/> Object <input type="checkbox"/> Comment |

Reason for Support, Object or Comment:

If you consider that the referendum boundary should be extended, please outline your reasons.

Whilst no public rights of way cross the site at Bannold Road, it is evident that delivery of the site will be able to contribute towards the enhancement of the public rights of way network in Waterbeach. Specifically, the provision of new linkages in a north-south arrangement through the site, will encourage new movements across the village and encourage the use of the existing public rights of way network located in the wider area. It is appropriate for the Neighbourhood Plan to establish a policy that maintains and enhances the network in the settlement and towards the New Town, so to encourage sustainable modes of transport such as accessing services via foot and cycle

Summary of Comments:

If your comments are longer than 100 words, please summarise the main issues raised.

Support is given to this policy, in particular, in terms of improved linkages to the public rights of way network within Waterbeach.
