RE: Greater Cambridge Supplementary Planning Documents Consultation

Dear Sir/Madam,

Linton Parish Council (LPC) would like to submit the following comments on the Greater Cambridge Supplementary Planning Documents Consultation.

LPC found that to review three large consultation papers over the end of the year was poorly timed. It was not possible for the Councillors to read all three documents in the limited period and present considered comments.

LPC propose that there should be individual consultations for each supplementary planning document, to enable sufficient time to review the information and submit comments.

Yours faithfully
