## **1. Local Plan Sections – Changes Sought to Text & Policy \***

Cambridgeshire Fire & Rescue Service and its Blue Light Partners (Cambridgeshire Constabulary and the East of England Ambulance Service NHS Trust) are **essential social infrastructure providers**, who require developer funded Infrastructure/ facilities to mitigate and manage the impacts arising on service capacity from planned housing/ population and employment growth.

The draft Local Plan should therefore attribute appropriate recognition and a higher profile to the important role played by these bodies - in contributing to the creation of safe, cohesive, strong, healthy, vibrant and resilient new communities.

The changes requested below are made within this context.
