Dear [REDACTED],

## **Draft Greater Cambridge Local Plan 2024-2045: Regulation 18 Consultation response on behalf of Cambridgeshire County Council and Prologis**

After several years of constructive and highly positive engagement between the Landowner Collaboration Group ('LCG') and Greater Cambridge Shared Planning, we are very pleased to submit representations in support of the draft Local Plan, and in particular Policy S/CBC.

These representations have been prepared by Quod on behalf of Cambridgeshire County Council and Prologis. They reflect ongoing collaboration with the LCG and a shared commitment to supporting the Cambridge Biomedical Campus as it continues to grow as a globally significant centre of healthcare, research and innovation.

The representations provided in the accompanying document are intended to support GCSP in refining the drafting of allocation S/CBC. The suggested amendments are intended to ensure the allocation can be found sound by the Planning Inspectorate, and is fully capable of being delivered. We have also included minor comments on policy BG/BG and BG/TC where they are considered to be relevant to development at the Campus.

We would welcome the opportunity for continued collaboration with GCSP as the Local Plan continues toward examination. If you would find it helpful to discuss any of the matters set out in the accompanying representations, we would be pleased to do so at your convenience.

Yours sincerely

Georgie Thomson  
Director
