

NOTES
 Fletcher Priest Architects is a Limited Liability Partnership registered in England and Wales (OC336565) at the below address. This drawing is to be read in conjunction with the design risk assessment prepared by fpa. This drawing is to be read in conjunction with other drawings and specifications produced by fpa and other members of the design team. All dimensions are in millimeters unless otherwise stated. It does not scale this drawing. Any discrepancies in dimensions are to be reported to the architect. All information subject to detail site survey.

IMPORTANT:
 The plan is partly based on land registry information received from Thakeham in relation to the parcels under their control. Those site boundaries have been manually traced from the scanned originals using reasonable skill and care. The site boundaries outside of Thakeham controlled land have been estimated based on OS markings, with reference to the SWC Landowners Plan dated 06.05.2021 received from Thakeham, and require further verification on the receipt of subsequent files. The best effort has been made to correctly interpret the information received. This drawing is made for information purpose only, in any case of uncertainty the source documents should always take precedent.
