Historic England raises a number of issues of soundness on a range of Plan policies/text/diagrams/SEA.

We have identified some of the key areas where we find the Plan unsound:

1. Various Site Allocations (especially Cambridge East, Eddington and Grange Farm)
2. Policy GP/HA: Designated heritage assets
3. Approach to renewable energy schemes

This form should be read in conjunction with our attached letter and Appendix A which provide more detailed comments on these and many other issues as well as suggested modifications to make the Plan sound. Some of these are more minor and some are factual/textual changes.

Please provide a 100 word summary of your representation.
