Proposed Submission (Regulation 19) Consultation - Response Form

Please submit your comments (known as representations) by **5pm** on **Friday 25 September 2026**.

Data Protection and Freedom of Information

We will treat your data in accordance with our Privacy Notice. All personal information that you provide will be used solely in relation to the Greater Cambridge Local Plan.

Please note that each representation and the name of the person or organisation who made the representation, and the name and organisation of the agent (where used), will be published on our website - representations cannot be treated as confidential.

Additionally, respondent details and representation(s) will be made available to the Planning Inspectorate and to the Inspector appointed by the Secretary of State to conduct the examination.

By submitting this response form you are agreeing to these conditions.

About this Response Form

This response form has two parts:

- Part A – Your details. We cannot formally register your comments without your details.
- Part B – Your representation(s). Please fill in a separate sheet for each representation you wish to make. If you need more space to provide your answers, please expand the boxes or continue on an attached separate sheet.

We strongly encourage the submission of representations via our consultation platform at https://consultations.greatercambridgeplanning.org/proposed-submission-greater-cambridge-local-plan If you are unable to submit your representation using our online system, this response form is available to downloaded to complete electronically from www.greatercambridgeplanning.org/local-plan.

Your completed response form should be:

- emailed to localplan@greatercambridgeplanning.org, or
- posted to: Greater Cambridge Shared Planning Policy Team, South Cambridgeshire District Council, South Cambridgeshire Hall, Cambourne Business Park, Cambourne, Cambridge, CB23 6EA

If you are having difficulty submitting your comments, please contact localplan@greatercambridgeplanning.org or call 01954 713694.

For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

National Grid Electricity Transmission has appointed Fisher German LLP to review and respond to local planning authority Development Plan Document consultations on its behalf.

Following a review of the Development Plan Document, we have identified one or more NGET assets within the Plan area. Details of NGET assets are provided below.

Overhead Transmission Line:
Overhead Transmission Line 400KV Line Route: BURWELL MAIN - PELHAM 1. - BURWELL MAIN - PELHAM 2

There are no NGET Assets in Cambridge City, therefore please see a plan showing details of NGET assets within South Cambridgeshire sent with this representation. Please note that this plan is illustrative only. NGET also provides information in relation to its assets at the website below.

https://www.nationalgrid.com/electricity-transmission/network-andinfrastructure/network-routemaps

NGET Electricity Network Infrastructure
The security and reliability of the UK's current and future energy supply is highly dependent on having an electricity network which will enable the existing and new electricity generation, storage, and interconnection infrastructure that the country needs to meet the rapid increase in electricity demand required to transition to net zero, while maintaining energy security.

In general, NGET does not own the land crossed by its overhead lines but has responsibility for maintaining the equipment and safe supply of electricity. The increasing pressure for development is leading to more development sites being brought forward through the planning process on land that is crossed by NGET assets.

Despite this NGET is not a statutory consultee in the plan-making process but it is recommended that NGET are consulted at the earliest possible opportunity in order that advice and guidance can be taken into account on development near overhead lines, or wider policies that may affect the existing or future supply of electricity.

With the above context in mind, the Council should ensure that development proposals located near transmission assets demonstrate that they will not compromise safety, operability, maintenance access,

asset replacement or future network expansion. The Council should safeguard existing and potential access routes required for the delivery and removal of Abnormal Indivisible Loads (AILs) associated with the construction, replacement and maintenance of transmission-scale equipment, including large transformers at strategic substations and resist development or highway alterations that would prejudice, constrain or render impractical AIL access unless suitable mitigation or alternative agreed routes can be secured.

To help ensure the continued safe operation of existing sites and equipment and to facilitate future infrastructure investment, NGET wishes to be involved in the preparation, alteration and review of plans and strategies which may affect their assets. Please remember to consult NGET on any Development Plan Document (DPD) or site-specific proposals that could affect our assets.

New Infrastructure
Demand for electricity is expected to rise significantly as the way we power homes, businesses and transport evolves. As the UK transitions towards net zero, fossil fuels will be replaced by increasing volumes of low-carbon electricity, including from offshore wind and other renewable sources.

Please provide a 100 word summary of your representation.

NGET have identified an Overhead Transmission Line within the Joint Plan Area, which does not conflict with any policies or site allocations proposed.

NGET consider the Plan to be Sound and legally complaint, but wish to make the Joint Planning Authority aware of its asset network and the supplementary guidance contained within the Representation Letter – for example, guidance on developing near overhead lines & underground cables.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

- Supplementary Representation Letter

- Mapping of NGET Assets within South Cambridgeshire administrative area

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

N/A

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**
Participate at the hearing sessions	No

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

N/A

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Section 7: Being Kept Informed

Would you like to be kept informed of the progress of the Greater Cambridge Local Plan through to adoption?

Notifications	**Yes / No**
Informed of submission of the Local Plan to the Secretary of State for independent Examination	Yes
Informed of the publication of the Inspector's recommendations following the Examination of the Local Plan	Yes
Informed of adoption of the Local Plan	Yes
