Dear Sir/Madam,

Proposed Submission – Greater Cambridge Proposed Submission Local Plan (Regulation 19) Consultation

Representations on behalf of Endurance Estates and the Landowners

Savills (UK) Ltd are instructed by our clients, Endurance Estates, to make representations as part of the Proposed Submission Greater Cambridge Local plan (Regulation 19) Consultation on behalf of Endurance Estates (Land Promotion) Ltd and the Landowners.

Endurance Estates have a number of land interests across Greater Cambridge including:
Land East of Gazelle Way, Cherry Hinton (Site ID 115222; HELAA ID 40250).
Land South of Horseheath Road, Linton (Site ID 115248, HELAA ID 40554)
Land at The Causeway, Bassingbourn (Site ID 116001, HELAA ID 40228)
Land at Elbourne Way, Bassingbourn (Site ID 116006, HELAA ID 40227)
Land to the rear of Old House Road, Balsham (Site ID 115953, HELAA ID 40438)
Land at Hillside, Orwell (Site ID 115802, HELAA ID 40496)

Endurance Estates previously made representations at the early stages of the Plan-making process, most recently at the Regulation 18.3 Consultation which was held between December 2025 and January 2026. Since then, Endurance Estates have continued progressing technical and masterplanning work to inform the continued promotion of the various sites.

These further representations build on those earlier representations and raise a number of issues of soundness with various policies within the Proposed Submission Local Plan including:

Strategic Policies and Supporting Aspects – Responses Applicable to All EE Sites
Policy S/JH - New Jobs and Homes.
Policy S/DS - Development Strategy & Key Diagram (Figure 4) and Figure 5.
Policy S/SH - Settlement Hierarchy.
Policy S/DE - Defined Settlement Extents.
Policy S/MO - Monitoring.
Appendix D – 5YHLS and Housing Trajectory.
Sustainability Appraisal.
Strategic Policies – Responses Applicable to Cherry Hinton Only

Policy S/GB - The Cambridge Green Belt.
Policy S/EOC - Other site allocations on the edge of Cambridge.
Inset Map for Cambridge.

Strategic Policies – Responses Applicable to EE Village Sites Only (Bassingbourn, Balsham, Linton & Orwell)
Policy S/RRA - Site Allocations in the Rest of the Rural Area.
Appendix C – Housing Requirements for Neighbourhood Areas.
Inset Maps for Linton, Balsham, Bassingbourn, and Orwell.

Development Management policies:
Policy CC/WE - Water efficiency in New Developments.
Policy BG/BG – Biodiversity and Geodiversity.
Policy GP/LC - Protection and enhancement of Landscape Character.
Policy J/AW: Affordable workspace and creative industries
Policy H/AH - Affordable Housing.
Policy H/ES: Exception sites for affordable housing
Policy H/HM - Housing Mix.

We attach Endurance Estates individual comments in relation to the various policies of concern, firstly with comments on the Strategic Policies that are relevant to all of Endurance Estates' sites, then with regard to more site specific policies and then finally with regard to a number of the 'Development Management' Policies of relevance. In addition, comments have also been submitted online through the Council's Consultation Portal.

The Local Plan is to be examined having regard to the National Planning Policy Framework 2024 which required that local plans and spatial development strategies are examined to assess whether they have been prepared in accordance with legal and procedural requirements, and whether they are sound. Plans are 'sound' if they are:

a) **Positively prepared** – providing a strategy which, as a minimum, seeks to meet the area's objectively assessed needs; and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development;

b) **Justified** – an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence;

c) **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and

d) **Consistent** with national policy.

These representations therefore relate to these tests.

Conclusions

We hope that Endurance Estates representations are in order and will be given due consideration by the Inspector(s) as part of the forthcoming Local Plan Examination.

Please do not hesitate to contact me if you have any questions regarding these representations or require any further information.

Yours faithfully,

Policy H/ES: Exception Sites for Affordable Housing

Do you consider the Greater Cambridge Local Plan is legally compliant?

Yes

Do you consider the Greater Cambridge Local Plan is plan sound?

No

Please set out and explain your comments

Whilst Endurance Estates support and welcome the policy in principle, it is considered that the wording of the Policy is currently too restrictive such that it will **not be effective and is therefore unsound**.

In light of the acute affordable housing need in Greater Cambridge that will not be fully addressed by the Local Plan, a more flexible and permissive Exception Sites policy is required to help to meet that need, particularly within sustainable village locations within South Cambridgeshire.

To help bridge part of the gap between affordable housing need and affordable housing supply, "local area" for determining "local needs" for Rural Exception Sites needs to replicate the definition for First Homes Exception Sites, namely the local area needs to be defined as being South Cambridgeshire.

This more flexible approach will help to ensure that more Exception Sites can come forward to help to address affordable housing needs. This will also help to support the Council's housing supply from windfall sites, boosting housing delivery overall and thereby ensuring the Plan is more effective and therefore sound.

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

None.

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

The detailed wording of the policy should be amended to enable a more permissive approach to Exception Sites in which "local area" for determining "local needs" for Rural Exception Site replicates the definition for First Homes Exception Sites, namely the local area needs to be defined as being South Cambridgeshire.

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Yes

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary

To fully represent our client's interests in this important matter which is fundamental to the promotion of their various sites across Greater Cambridge and to provide the opportunity to explain our rationale fully, responding to comments from the Council as appropriate.
