Proposed Submission Policies Map

Section 3: Your representation

Please set out and explain your comments. Please be as precise as possible, and please do not just refer to an attached supporting document(s). For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

Gypsy and Traveller Pitches

The requirement for 24 permanent Gypsy and Traveller pitches across two equally sized sites is set out at S/WNT 8.a.ii. This was not previously identified as a requirement in the Adopted South Cambridgeshire Local Plan (2018) Policy SS/6 or the Waterbeach New Town SPD (2019) and therefore has not consequently been included within either of the outline planning permissions, either spatially, in terms of the descriptions of development and land uses or the respective legal agreements. As such it is not realistic that these could be delivered under the existing planning permissions and therefore inappropriate for inclusion in the policy at this stage.

In this regard it is noted and welcomed that, since the Regulation 18 Draft Local Plan consultation stage this aspect has been refined through the addition of the following qualification on the location of such provision: "located within but on the edge of the development, or outside but in close proximity to the site..." The comments above with regards to siting within the new town still apply, but the additional flexibility to locate provision outside of the new town site at least provides a degree of scope for this to be achieved.

Retention of reference to siting of this requirement within the allocated new town site continues to render this aspect of the policy unsound as it would not be effective, although on balance WDC accepts that inclusion of scope for location outside the new town does provide some prospect of delivery, albeit unclear where such provision could be practically located in this regard.

Please provide a 100 word summary of your representation.

WDC objects to the requirement for provision of 24 Gypsy and Traveller pitches set out at S/WNT 8.a.ii. This was not previously identified as a requirement and consequently not been included within either of the outline planning permissions. It is not realistic that these could be delivered under the existing planning permissions and therefore inappropriate for inclusion in the policy with regard to delivery within the new town site.

WDC accepts that inclusion of scope for location outside the new town does provide some prospect of delivery, albeit unclear where such provision could be practically located in this regard.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

Please see accompanying statement

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Remove reference to inclusion of Gypsy and Traveller pitches within the Waterbeach new town site, on the basis that delivery is unrealistic given the presence of outline planning permissions across the new town that make no provision for such use.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**
Participate at the hearing sessions	Yes

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

So that the matters raised within these submissions can be developed through direct discussion in order to assist the Inspector's assessment more efficiently than relying solely on these written representations.

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Section 7: Being Kept Informed

Would you like to be kept informed of the progress of the Greater Cambridge Local Plan through to adoption?

Notifications	**Yes / No**
Informed of submission of the Local Plan to the Secretary of State for independent Examination	Yes
Informed of the publication of the Inspector's recommendations following the Examination of the Local Plan	Yes
Informed of adoption of the Local Plan	Yes
