For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

- The Masterplan for Clifton Rd area should be agreed with the Council (or any successor authority) as LHA, based on suitable transport evidence.
- The Council recognises and supports the importance of active travel for this site, including the delivery of the Chisolm Trail, and restates the importance of effective public transport provision as part of the development, which should be aligned closely with proposals for a new access to Cambridge Station by the East West Rail project. Wider consideration would also see provision for public transport at the Clifton Road site and should be developed through any Transport Assessment and master planning work, supported by appropriate transport evidence.

Please provide a 100 word summary of your representation.

The Council supports the requirement for a masterplan for the Clifton Road area to be agreed with the Local Highway Authority, informed by appropriate transport evidence. It welcomes the emphasis on active travel, including delivery of the Chisholm Trail, and highlights the importance of integrating effective public transport provision with proposals for Cambridge Station Eastern Access associated with East West Rail. Public transport requirements should be fully considered through the Transport Assessment and masterplanning process, supported by robust evidence to ensure the site is well connected and capable of supporting sustainable travel patterns.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?
