Section 3: Your representation

Please set out and explain your comments. Please be as precise as possible, and please do not just refer to an attached supporting document(s). For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

As with the Regulation 18 response, the inclusion of an allocation for the expansion and regeneration of CBC is nationally important and strongly supported. Part 9(c) of the draft policy continues to allow the delivery of approximately 1,000 additional homes on the campus. It is notable that consultation responses made by Cambridgeshire County Council and Prologis recommended that 1,300 homes be allowed for to give greater flexibility on the type of housing that is likely to be delivered on the Campus, which would tend towards smaller and sharer-type units. It is also noted that the Cambridge Biomedical Campus On Site Housing (2025) paper prepared by CBC Ltd recognises that even with the onsite delivery of 1,100 affordable homes “this would leave on off-site need for affordable housing of 14,900 units required in the 25 years up to 2050… It is accepted that even with an expansion in accommodation, the plans for accommodation on campus will be insufficient to address the full extent of affordable housing needs for staff at CUH and across the campus.”

It is clear that there is a significant residual need for housing to support the Campus that Policy S/CDC alone does not meet.

Please provide a 100 word summary of your representation.

Policy S/CBC is supported but requires associated housing development far beyond what the policy allows for to support the expansion of the Campus and its workforce.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

- **Representations on behalf of LIH and Pigeon - Draft Greater Cambridge Local Plan – Regulation 19 Consultation**

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Please refer to the supporting document

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**
Participate at the hearing sessions	Yes

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

LIH and Pigeon jointly control a significant amount of land on the edge of Cambridge that would be capable of making a substantial contribution towards Greater Cambridge's housing needs.

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Section 7: Being Kept Informed

Would you like to be kept informed of the progress of the Greater Cambridge Local Plan through to adoption?

Notifications	**Yes / No**
Informed of submission of the Local Plan to the Secretary of State for independent Examination	Yes
Informed of the publication of the Inspector's recommendations following the Examination of the Local Plan	Yes
Informed of adoption of the Local Plan	Yes
