Section 3: Your representation

Please set out and explain your comments. Please be as precise as possible, and please do not just refer to an attached supporting document(s). For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

Policy H/AH states that major development proposals will provide affordable housing in accordance with Table 6 of the dGCLP, which then sets out the mix of tenures within the affordable housing component of scheme. The lack of flexibility is arguably at odds with both 2024 NPPF paragraph 66 and with 2026 NPPF Policy HO8, both of which recognise the role that location plays in determining what the appropriate tenure mix may be. This is especially important in the context of the need for housing to support key workers and Cambridge's employment clusters, which often have bespoke needs that are not best met through a generalised mix and tenure requirement.

Please provide a 100 word summary of your representation.

The lack of flexibility in Policy H/AH is at odds with both 2024 NPPF paragraph 66 and with 2026 NPPF Policy HO8, both of which recognise the role that location plays in determining what the appropriate tenure mix may be. It is therefore not consistent with national policy. This is especially important in the context of the need for housing to support key workers and Cambridge's employment clusters, which often have bespoke needs that are not best met through a generalised mix and tenure requirement.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

- **Representations on behalf of LIH and Pigeon - Draft Greater Cambridge Local Plan – Regulation 19 Consultation**

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Please refer to the supporting document.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**
Participate at the hearing sessions	Yes

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

LIH and Pigeon jointly control a significant amount of land on the edge of Cambridge that would be capable of making a substantial contribution towards Greater Cambridge's housing needs.

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Section 7: Being Kept Informed

Would you like to be kept informed of the progress of the Greater Cambridge Local Plan through to adoption?

Notifications	**Yes / No**
Informed of submission of the Local Plan to the Secretary of State for independent Examination	**Yes**
Informed of the publication of the Inspector's recommendations following the Examination of the Local Plan	**Yes**
Informed of adoption of the Local Plan	**Yes**
