Section 3: Your representation

Please set out and explain your comments. Please be as precise as possible, and please do not just refer to an attached supporting document(s). For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

JMS Planning and GMD support the inclusion of a policy controlling the reuse of buildings in the countryside. We would, however, suggest that it is an unreasonable requirement to have to market a property for 12 months and not take the existing state of the property into account. JMS Planning would suggest restricting the requirement for marketing information to properties that are vacant but capable of accommodating employment uses, and which are not in poor condition. A market assessment report by a suitably professionally qualified firm or firms should be sufficient to identify the potential re-use in its existing Use Class.

Please provide a 100 word summary of your representation.

H/DC should restrict marketing requirements to viable employment buildings and allow market assessment reports to demonstrate re-use potential. Full details in attached representation.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Restrict the requirement for 12-month marketing to buildings that are viable for employment use and not in poor condition. Allow a market assessment report by a suitably qualified professional to demonstrate re-use potential where marketing is not appropriate. This ensures the policy is proportionate and avoids unreasonable burdens on applicants.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**
Participate at the hearing sessions	Yes

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

Yes — for all reasons set out in GCSP Regulation 19 Local Plan Representations – JMS Planning obo GMD – Final.pdf

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Section 7: Being Kept Informed

Would you like to be kept informed of the progress of the Greater Cambridge Local Plan through to adoption?

Informed of the publication of the Inspector's recommendations following the Examination of the Local Plan	Yes
