Proposed Submission Policies Map

Habitats Regulations Assessment

Section 3: Your representation

Please set out and explain your comments. Please be as precise as possible, and please do not just refer to an attached supporting document(s). For your representation (comments) to be considered, your representation must be set out here. Wherever possible, set out precisely any changes you think should be made to the plan and its policies.

The policy does not include any wording on how the delivery of affordable housing can be altered should there be material viability considerations; therefore, GMD and JMS Planning encourage its inclusion, or as a standalone policy as per many other Authorities. JMS Planning recommends that explanatory text be provided to explain why the affordable housing tenures change depending on whether the quanta are 10- 14 or 15+ units. More generally, the policy should be reviewed to ensure consistency with the NPPF including Policy HO10, which supports the delivery of affordable housing to meet identified needs. The Local Plan should therefore maintain sufficient flexibility to maximise affordable housing delivery across a range of sustainable locations, including rural settlements where local need can be demonstrated.

Please provide a 100 word summary of your representation.

The policy lacks flexibility for viability considerations and does not explain tenure changes between 10–14 and 15+ units. It should be updated to reflect NPPF 2026 Policy HO10 and allow maximum delivery across sustainable locations. Full details in attached representation.

Section 4: Supporting Documents

If you are submitting any supporting documents with your representation, such as maps or further evidence documents, please provide a list.

Section 5: Proposed Modifications

Please set out the modification(s) you consider necessary to make the Greater Cambridge Local Plan legally compliant and sound.

You will need to say why each modification will make the Greater Cambridge Local Plan legally compliant or sound. Please put forward your suggested revised wording of any policy or paragraph, being as precise as possible.

Introduce flexibility for viability considerations and provide clear explanatory text on tenure requirements for schemes of 10–14 units and 15+ units. Update the policy to reflect NPPF 2026 Policy HO10, ensuring affordable housing delivery is maximised across sustainable locations. Clarify how the policy will operate in rural settlements where local need is demonstrated.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to justify your representation and any proposed modification(s), as there will not be a subsequent opportunity to make further representations other than at the invitation of the Inspector during the Examination process.

Section 6: Participation at the Examination

If you are proposing a modification to the Greater Cambridge Local Plan, do you consider it necessary to participate at the examination hearings?

Examination	**Yes / No**

If you wish to participate at the hearing sessions, please outline why you consider this to be necessary.

Yes — for all reasons set out in GCSP Regulation 19 Local Plan Representations – JMS Planning obo GMD – Final.pdf

Please note: the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in Examination hearing sessions. You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
