Dear Maggie and Phil,

thank you for your email.

I confirm that the Trustees of the Mr and Mrs B J Searle Settlement are happy for you to proceed with making representations via Optimis in respect of the land at the rear of Searle's Meadow (and that as Trustee of the M D Searle Will Trust I also confirm my agreement. David and Phil are trustees of the Mr B J Searle WT, so you don't need any consent for that trust.

Let me know the outcomes in due course.

Bes wishes,
Jocelyn
