Dear sir or madam,

Further to your recent email please see the email below confirming the Landowners permission for the submission of the above site to the Call for Sites process.

In terms of your query regarding services we understand that mains electricity, water and sewerage are available in the adjacent highway or close to the site. We therefore do not anticipate any issues in the connection of the site to services through usual statutory undertakers.

I trust that this email provides you with the information that you need but please do not hesitate to contact me if you should have any further queries.

Kind regards,

Peter

Morning [REDACTED]

I have received an email from South Cambs District Council asking for confirmation that you as Landowner are content for the above site to be promoted as part of the 'Call for Sites' process. Please can you reply to this email to provide your confirmation, which I will then forward to SCDC.

Many thanks,

Peter
