Comment

I am concerned about it.
Who is the "master developer" - why can't we know their identity?

Comment

Some but not enough.
100 paths will be over whelmed.

3. Are the new 'centres' in the right place and do they include the right mix of activity?

Comment

Lack of control over Broadgate
For an effectively new town you have not planned a swimming pool, cultural centre or secondary school

4. Do we have the right balance between new jobs and new homes?

Comment

No too many jobs - not enough new homes.

5. Are we are planning for the right community facilities?

Comment

No - see 3.

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

Comment

No, buildings will be too high and spoil views

Comment

No you have planned for "linear" space and are using the travellers space which is not legal.

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

Comment

We do not think so

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?

Comment

You are building houses too close together - with very limited space. Water conservation weak. Should be more like Eddington
