

Answer our 10 big questions

1. What do you think about our vision for North East Cambridge?

Comment *Biodiversity targets not sufficiently ambitious. It's partially in the wrong place. The area to the east close to Chesterton Fen should be redeveloped instead of the WWT site which should remain where it is instead of being moved into the Green Belt.*

2. Are we creating the right walking and cycling connections to the surrounding areas?

Comment

3. Are the new 'centres' in the right place and do they include the right mix of activity?

Comment

4. Do we have the right balance between new jobs and new homes?

Comment

5. Are we are planning for the right community facilities?

Comment *You do need more social and recreational provisions such as gyms, swimming pool and pubs.*

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

Comment *No need for tall buildings at all.*

7. Are we planning for the right mix of public open spaces?

Comment *Too many spaces are linear with not enough green hubs and none that are large enough*

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

Comment *No. 10% uplift is inadequate.*

9. Are we doing enough to discourage car travel into this area?

Comment *It all depends on who is employed in the area and where they live, so there could be many incoming commuters with nowhere to park.*

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?

Comment *The removal of the recently (2015) updated WWT will create many unnecessary emissions*
