Totally out of character with Milton village, height of new buildings inappropriate

Not everyone is in a position to walk or cycle to work especially if it takes 2 hours per day to do this.

What is the impact going to be on existing facilities in Arbury, King Hedges and Orchard Park not to mention Milton.

Comment

Milton residents will be able to see the buildings, which will have a visual impact on the area as a whole

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?
