4. Do we have the right balance between new jobs and new homes?

Comment

5. Are we are planning for the right community facilities?

Comment

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

Comment Very unhappy about such tall buildings. I feel this is totally inappropriate in the area. Please do not compare to King's, which is a beautiful, iconic, structure.

7. Are we planning for the right mix of public open spaces?

Comment

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

Comment

9. Are we doing enough to discourage car travel into this area?

Comment *Is reducing car parking spaces the best way to do this? Surely people need a car to get out of the city - end up putting pressure on parking in inappropriate places?*

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?
