

Answer our 10 big questions

1. What do you think about our vision for North East Cambridge?

Comment Why on earth are you planning to move something that doesn't need to change. Why not develop the sites you are planning to move to. Who wants to live on a site smelling of shit.

2. Are we creating the right walking and cycling connections to the surrounding areas?

Comment AS usual we are falling over ourselves for the cycling community. More cycleways that they won't/don't use.

3. Are the new 'centres' in the right place and do they include the right mix of activity?

Comment it remains to be seen.

4. Do we have the right balance between new jobs and new homes?

Comment I don't know where the jobs are going to appear from.

5. Are we are planning for the right community facilities?

Comment no, we need to have something for everyone and all age groups and abilities

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

Comment No far too tall for the area. It will look like a concrete jungle. Square boxes and no character to the area or properties.

7. Are we planning for the right mix of public open spaces?

Comment In view of the recent pandemic, we need to make as much open space available as possible. I'm concerned about contamination of the land it will stand on.

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

Comment I think you're trying too

9. Are we doing enough to discourage car travel into this area?

Comment Why are we always down on the motorist. After all they do contribute to the cost of roadways while the cycling fraternity

10. Are we maximising the role that development at North East Cambridge has to play in responding to the climate crisis?

Comment Hopefully yes.
