2. Are we creating the right walking and cycling connections to the surrounding areas?

3. Are the new 'centres' in the right place and do they include the right mix of activity?

4. Do we have the right balance between new jobs and new homes?

5. Are we are planning for the right community facilities?

6. Do you think that our approach to distributing building heights and densities is appropriate for the location?

7. Are we planning for the right mix of public open spaces?

Comment

8. Are we doing enough to improve biodiversity in and around North East Cambridge?

Comment
