<p>I am objecting to the entire North East Cambridge Area Action Plan. It is a misuse of public money, it has nothing to do with fulfilling a local requirement for housing and everything to do with making money for land owners (Universitys), developers and investors.</p> <p>Relocating a hugely invested in, full operational sewage works onto green belt is wholly unacceptable even more so that it is to create even more housing. Show me the proof that there is a need for housing. How many at Trumpington are full? How many at Addenbrookes? How many off Madingley Rd. Of those how many are first time buyers? or local people?</p>
