TO WHOM IT MAY CONCERN

Dear Sirs,

Land to the rear of 67-69 High Street, Meldreth, Cambridgeshire
Title No: CB219719

As the joint landowners of the above Property, we hereby confirm that we are fully supportive of the submission which has previously been made to South Cambridgeshire District Council in relation to the proposed development of the site lying to the rear of 67-69 High Street, Meldreth.

We would add that the site is immediately available and each of us is keen for the land to be utilised to provide a mix of suitable and affordable housing to the local community. The land comprises a former kitchen garden and orchard, but is now very overgrown with trees, brambles and bushes, so would be much better utilised as a site for residential housing (with accompanying green space areas) to accommodate the burgeoning population of Meldreth and the wider surrounding area.

We will all be happy to provide any further information which may be required by South Cambridgeshire District Council in support of our submission of the site.

Yours sincerely,
