Dear Sir/Madam,

DUXFORD - GREATER CAMBRIDGE CALL FOR SITES SUBMISSION

I write on behalf of our client, Gonville and Caius College, to submit Land west of Duxford for consideration via the Greater Cambridge Local Plan Call for Sites consultation.

Please find enclosed a submission to the Call for Sites on behalf of Gonville and Caius College for development at Duxford. The initial concept suggests a development of around 900 new homes, along with some 135,000sqm of employment floorspace to provide for a General Aviation Centre of Excellence and a new strategic-scale Country Park. The submission comprises:

- Vision Document;
- Site identification Plan; and
- Completed Proforma.

Gonville and Caius College is most keen for the proposals to be shaped by the involvement of the community and stakeholders and in this context, we look forward to discussing the matter in more detail with officers alongside the preparation of the Local Plan.

Yours sincerely

Guy Kaddish
Partner, Planning
