Subject: Call for Sites submission - letter of support [CJ-WORKSITE.FID531283]

Dear Sara,

Hope you are well and having a good summer.

I am writing regarding our Call for Sites submission. I have had an email from the Planning Policy team requesting that I provide a letter of support from the County stating that you are aware of the submissions and supportive of it. I think it may be better to provide one letter/email that lists all of the sites and indicates you are aware of and support the submission. Responding to this email in the affirmative should suffice.
