Hi

Can this Newspaper article be added to my comments about the risk to the health of people who would live in the houses proposed for the current Sewage Works?

Kind regards  
Jonathan Barker

Hi

Reference North East Cambridge Area  
Action Plan

I wish to object to the proposal to build 8000 home next to the increasingly busy A14 and Milton Road as there increasing evidence that the pollution from road

fumes from vehicle exhausts , tyres and road noise can seriously damage the health of people who live nearby.

I attach one of the many articles on this subject and I request a full environmental report is prepared prior to the Planning discussions.

Kind regards

Jonathan Barker
